Sir:

I was shocked to read in the January issue of the American Mercury magazine, page 43, that the State of Florida pays dues to Metro as of June 1959 -- \$103,000.00 for laws which are written up in the form of model and uniformed state laws; called 1313 Mail Order Laws. Also in the January issue it stated the amounts paid in dues, state by state.

No wonder our state taxes go up. Metro or the National Municipal League 1313 parent body suggests a United States Counsel or a Multi Member Agency to provide the President of the U. S. A. with Metro information. Also a bid for a United States Cabinet status, called National Municipal League or 1313 Parent Body, which is the communist central committee, located at 1313 60th Street, Chicago, Illinois. And this, if accepted -- I take it -- would not have to be confirmed by the Senate.

The lawyers of the country sent a letter to one of the Senators with a list of some of the laws that should be corrected as the 5th Amendment, etc. It was brought to the floor of the Senate but never adopted as I understand.

Mr. Krushchev says he will not destory us with bullets but strangle us economically, city by city, state by state and the government.

Let's be better informed so as to cope with these dangers of Communism.

The Editor of the article in the Mercury is Joe Hindman.

Very sincerely,

the sold F. T. N.

Dear Sir:

I have a suggestion to make...that whoever is responsible for programs on T.V. and radio, have a series of programs on Communism and Cocrxistence and explain to the people what it is and how it works to destroy the U. S.A.

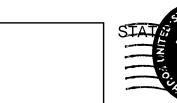

There are experts on this subject as Joe Hindman, John H. Noble and many others. This should be done before it is too late. It is creeping into every state in the U.S.A. -- The fifth column

St. Petersburg, Florida is getting to go for Metro. Let's not wait too long or it will be too late.

Why not have tighter security in the Defense Plants in the country, and cancel the cultural exchange with Russia.

## HAS THE METRO PLAN TAKEN OVER YOUR CITY?

# **ELECTIVE JOBS TO BE ABOLISHED!**

#### WHAT IS "METRO"?

From border to border, from the Atlantic to the Pacific, a giant project is underway to (a) deprive American citizens of the right of local self-government and (b) to destroy the Constitutionally-guaranteed rights of the individual States by merging parts of several States into one urban region to be governed by an appointed Manager. This SOCIALIST SCHEME is colled METROPOLITAN GOVERNMENT . . . or "METRO" for short. "METRO" government is centralized government of a large urban area.

Io Hindman writing in AMERICAN MER-From border to border, from the Atlantic

Jo Hindman writing in AMERICAN MER-CURY magazine states: "Merging is the busic pattern of Metro: governmental merging of (1) City-County (that may result in abolishment of the political identities of cities)

(2) County-Regional (obliterating county lines)
(3) Regional-State (fusing the States . . . )

"There is no single pattern of Metro; its policies and program, goal and methods appear in a variety of forms, usually piecemeal .... Miami-Dade County is an example of 'Metro' Step No. 1 (City-County, as completed). Southeast Michigan represents No. 2 (County-Regional) in features. Metro' Step No. 1 (City-County, as completed). Southeast Michigan represents No. 2 (County-Regional, in formation). Northeast Illinois represents No. 3 (Regional-State, where the States of Wisconsin, Indiana and Illinois are implicated.)"

#### WHAT IS THE "BAIT"?

The "bait" offered by the promoters of tropolitan Government is that the greatly Metropolitan Government is that the greatly increasing population of the United States is demanding more and more services such as paving and maintenance of roads, sewerage disposal facilities, more parks and playgrounds, etc., and that these "benefits" can be provided only if a "METRO" Plan of Government is installed, "METRO" then merges surrounding grees into one controlled surrounding green ing areas into one centralized region con-trolled by an appointed Manager, who is an "expert" in such matters.

### THE MISLEADING CLAIMS OF THE

"METRO" PROMOTERS

The "METRO" Plan promoters say that "METRO" is "home rule." But METRO is not "home rule". It is the opposite of home rule. METRO concentrates the power of government in the hands of all-powerful APPOINTED OFFICIALS.

"METRO" advocates are now urging local communities to adore the "METRO".

"METRO" advocates are now urging local communities to adopt the "METRO" Plan because it is "efficient", will "do away with political corruption and graft", and finally, "will lower taxes because of its efficient methods".

#### "METRO" DOES NOT REDUCE TAXES

The Socialist Planners who are promoting "METRO" attempt to deliberately mislead the American public by stating that "METRO" will reduce taxes, but this is not true! The "METRO" Plan" increases taxes! A study made in Evans-ton, Ill., which is governed by an appointed mana-ger under the "Metro Plan", showed that the municipal tax rate in Evanston is more than double the average rate for mayor-run towns in Cook County!

## THE IMPORTED SOCIALIST "EXPERTS"

THE IMPORTED SOCIALIST "EXPERTS"
TAKE OVER

Because this "Metro Plan" is a PART OF AN OVER-ALL PLAN BY THE SOCIALISTS TO CONTROL THE ENTIRE NATION, the appointed manager who puts "Metro" into operation in a locality is usually not a local citizen. These city managers, for the most part, have been trained by "Metro Headquarters" (1313 East 60th St., Chicago) in "social engineering and "city planning". To be city manager of any city is merely an assignment for these "experts". (For instance, the appointed "Metro" manager of Dade County, previously was city manager of San Diego!) San Diego!)

#### LOCAL SPENDING INCREASES

The claim that these imported city managers will "reduce taxes" is false. Discussing this point THE DAN SMOOT REPORT states: "The main reason Approved Prosked Prosked 2002\*100/10: CIA-RDP000016 708000140035-6ct of this

zens money is that the managers, having become a specialized occupational group need big-spending records for themselves so that they can move on to bigger salaries in bigger cities. If he can show that in five years he quadrupled a city's budget for 'services,' he proves himself an agressive and effective manager."

#### HERE IS HOW THE "METRO" PLAN OPERATES IN DADE COUNTY

Below is an analysis of some of the dangerous aspects of the Metro Charter for Dade County, Florida.

The "METRO" government of Dade County, Fla., is composed of an elected Board of County Commissioners.

This Board of Commissioners then appears a County Manager who is then in composite a County Manager who is then in com-

points a county incomplete control of the administrative branch of the "METRO" government. Besides the usual powers exercised by a city government, the "METRO" Charter con-tains some alarming additional powers such as:

#### POWER TO ESTABLISH A "METRO" COURT

The Metro Charter provides for the establishment of a Metropolitan Court to be staffed by appointed, not elected, judges. The establishment of this Metropolitan Court places in jeopardy the Constitutional rights of all the citizens. For example, the Dade County Metro Charter provides that "arrests, complaints, prosecutions and convictions shall be instituted and processing the convictions of the convictio sed in a manner provided by the rule of the Court." This is completely unconstitutional because the Fifth Amendment to the Constitution of the United States (other parts of the Bill of Rights adding thereto) provides the

Metro Court in Dade County, Fla., is that in Metro Court in Dade County, Fla., is that in listing punishment for violation of any Metro ordinance, if the fine exceeds \$500 or imprisonment in the county jail for more than 60 days, then, and only then, is a citizen of Dade County entitled to a trial by jury! This is a direct violation of the 6th and 7th Amendments to the U. S. Constitution which preserve the right of trial by jury to all citizens.

POWER TO CONTROL

BUSINESS FRANCHISES
Section 8.05 affects business firms. It states: "All lawful franchises, contracts and licenses in force on the effective date of this Charter shall continue in effect until terminated or modified in accordance with their terms or in the manner provided by law or this Charter."

Insofar as the Metro-created Metropolitan Court will "decide" the "law", one can see what a club this can be over the heads of local businessmen.

POWER TO ABOLISH LOCAL
ELECTIVE OFFICES
Section 1.01 of Article I gives the
"METRO" Charter the power to: "By ordinance, abolish or consolidate the offices of
Sheriff, Constables, or any county office
created by the Legislature . " (with the
exception of Superintendent of Public Instruction and Circuit Court or any other court provided by the Constitution.)
Under Article 8.01 the following offices

Under Article 8.01 the following offices Under Article 8.01 the following offices are abolished and the powers and functions of such offices transferred to the appointed Manager: County Assessor of Taxes, County Tax Collector, County Surveyor, County Purchasing Agent, and County Supervisor of Registration. And then, just to be sure that they haven't overlooked abolishing some other contractions of the survey of the su elective offices, the Metro Charter states:
"In the event that other elective offices are abolished by the Board, the Board shall . ."

#### POLITICAL PARTIES TO BE ABOLISHED

Section 2.03 of the Dade County Metro Charter states: "All elections for the Board shall be non-portison and no ballot shall show the party designation of any candidate." This sentence makes it possible for a Communist to elected as a Commissioner. At the same time it, for all intents and purposes, abolishes political parties.

#### THE ALL-POWERFUL 'METRO' MANAGER

The Metro promoters, when "selling" a community on the idea of Metro, attempt to delude the voters into thinking that these elected Commissioners will have administra-

Actually, Section 3.05 of the Metro Charter clearly states that the power of the Commissioners is limited to "purpose of inquiry" only and that the Board and its members shall deal with the administrative service solely through the Manager." Thus it is seen that the voters' elected representatives are mere "scenery" on the stage of this drama of despotic power with all control and power in the hands of the METRO MANAGER.

## THE DICTATORIAL METRO MANAGER NEED NOT BE A RESIDENT

Section 3.02 of the Metro Charter for Dade County states: "At the time of his appointment he need not be a resident of the State." This method of "importing" outsiders to run a local community also applies to other appointees who replace previously elected officials.

# WHAT CAN BE DONE TO PROTECT A COMMUNITY AGAINST "METRO"

If the "Metro Plan" has not as yet fastened its tyrannical tentacles on your community, you can be sure that the "advance men" for "Metro" will soon be visiting your city trying to "sell" the voters on this dangerous and deceitful scheme.

#### WHAT YOU CAN DO

(1) WATCH FOR THE SLOGANS OF THE "METRO PLAN" PROMOTERS.

The favorite catch-phrases used by the Metro Planners are:

"Home Rule" — But METRO is not home rule!
"Tax Reduction" — But METRO actually increases taxes!
"More Public Benefits" — But financed by increased taxes!
"Greater Efficiency" — A prison is efficient because all power is concentrated in the hands of the Warden.
"Eliminate Duplication of Services" — Government is consolidated and elective jobs are abolished.
HELP SPREAD THE WORD OF THE DANGERS

are abolished.

(2) HELP SPREAD THE WORD OF THE DANGERS OF "METRO".

Don't let what has happened to Dade County, Florida, happen to your community . . . . Spread the word in your area of the need for voters to reject any METRO PLAN to take over and destroy your local self-government.

your local self-government.

(3) BUY COPIES OF THIS PAMPHLET FOR YOUR DISTRIBUTION.

Buy as many copies of this pamphlet (TAX FAX No. 13) as you possibly can and distribute to your friends and neighbors; urge your club or organization to also purchase large quantities to distribute to their members.

(4) ALERT THE POLITICIANS IN YOUR AREA. Send copies of this pamphlet to all ELECTED politicipas in your city, county and state. Alert

politicians in your city, county and state. Alert elected officials to the fact that METRO abolishes elected officials to the fact that METRO abolishes almost all elective positions, replacing them with imported "appointees". When local political leaders realize that "METRO" is a SOCIALIST SCHEME to abolish their jobs, they will UNITE WITH CONSERVATIVES TO OPPOSE "METRO" AND PRESERVE LOCAL SELF-GOVERNMENT.

\* \* \* REMEMBER, IN THOSE AREAS WHERE THE CITIZENS WERE ALERTED, "METRO" WAS DEFEATED!! \* \* \*

#### CONSTITUTIONAL LAW VS. TYRANNICAL DECREES

The World Court operates under decrees of the United Nations - not under the Constitution of the United States.

the United Nations - not under the Constitution of the United States.

In this country the U.S. Constitution guarantees peaceful assembly, free speech, right of petition, triol by jury and the right to own property and other basic freedoms.

Individual guarantees and rights of this type are not found or are severely limited in the United Nations Charter and the so-called Covenant of Human Rights of U.N.E.S.C.O.

The rights of individuals becomes all-important in view of the mounting pressure by the Internationalists in both the Democrat and the Republican parties to repeal the Connally Amendment, because if they succeed in destroying this safeguard, then the World Court will be able to rule on domestic low in the United States - thus directly affecting our Constitutionally protected rights and liberties of every individual.

In the United States, the law is established

In the United States, the law is established In the United States, the law is established with relative firmness and clarity; there is the basis of common law, written law and the body of established precedent. We have the further protection of having available the legislative means to repeal, amend or enact law to meet changing conditions. changing conditions.

### UNLIMITED POWER FOR THE PRESIDENT

Behind the smokescreen of the catchy slogan "WORLD PEACE THROUGH WORLD LAW" lies a deadly booby-trap. The Internationalists, the Socialists and the crypto-Communists who apparently exert such great influence on both political parties, believe they have a way whereby they can control the United States through the office of the presidency and through the loop-hole in the Constitution regarding "treaties being the supreme law of the land".

#### DEFEND THE CONNALLY AMENDMENT AS AMERICA'S ONLY SAFEGUARD!

There is only one defense that the citizens of the United States have against the Internationalists who wish to make the United States a mere satellite of Communist Russia - and that is PRESERVE THE CONNALLY AMENDMENT, which protects the national sovereignty of the United States of America.

#### "WORLD PEACE THROUGH WORLD LAW"?

The American people are, for the most part, a trusting people with respect for law, order and the U.S. Constitution. Unfortunately, however, some Americans are also gullible and will

ever, some Americans are also guilible and will believe anything, provided that:

(a) It has a lofty-sounding slogan.

(b) Well-recognized political leaders are associated with the promotion.

Surely, the phrase "World Peace Through World Law" sounds good. Everyone wants

World Law sound greater.

And the promoters of this noble-sounding slogan are no less than the President of the United States and presidential aspirants. Nixon

names''!
These promoters of "World Law" propose to achieve world "peace" by repealing the Connally Amendment, so that all issues, wheth-Connally Amendment, so that all issues, whether domestic or international, can be settled by the World Court, of which Communist Russia is a member. President Eisenhower hopes by such action to "shame" the Soviet Union into agreeing to do likewise, and thus "world peace would be established on earth"! But would it?

Continuing concessions by the United States and attempts to "shame" Communist Russia into becoming an honorable member of the family of nations are futile and foredoomed to failure.

#### RED RECORD OF BROKEN AGREEMENTS

Pointing up the futility of "peace agreements" with the Soviet Union, a 1955 report by the Senate Internal Security Subcommittee stated: "The staff found that in the hirty-eight short years since the Soviet Union came into existence its Government had broken its word a signed promise . . . . It keeps no international promises at all unless doing so is clearly advantageous to the Soviet Union."

#### RISKING AMERICA'S SOVEREIGNTY

Even when confronted with the indisputable fact that Red Russia does not live up to her agreements, the promoters of "World Peace Through World Law" still persist in urging "one more try", and are willing to jeopardize the sovereignty of the United States in order to promote their scheme of "World Law".

Here's how they plan to go about it:

#### THE CONNALLY AMENDMENT

In 1946 the U. S. Senate passed a resolution giving the World Court (the judicial arm of the United Nations) jurisdiction in inter-United Nations) jurisdiction in international disputes affecting the United States. However, the Senate Resolution contained one vital safeguard of American interests and this was a provision that the World Court would not have jurisdiction in "matters which are essentially within the domestic jurisdiction of the United States as determined by the United States," are known as the Connully Amendment, Amendment.

Amendment.

In discussing this subject THE ARIZONA REPUBLIC of Phoenix stated editorially: "If the United States yields its right to determine whether a matter is domestic or not, it yields a substantial portion of its sovereignty to a court on which two Communist judges usually sit. It binds itself to accept the decisions of a court that is weighted against democratic principles."

Further, if the Connally Amendment is re-moved, then the World Court, sitting in The Hague, Netherlands, will have the right to determine whether a dispute is international

#### ARE WORLD COURT PROMOTERS SINCERE?

PRUMOUTERS SINCERE?

Attorney General Rogers says that he is sure the World Court would not accept purely domestic cases. Mr. Rogers has a right to his opinion but one man's hopeful opinion should most surely not be a basis for risking the sovereignty of these United States. Also, if the Internationalists of both political parties, who is the solution of the Internationalists of both political parties, who sincerely believe that the World Court will rule only on international matters, then why ore they so loudly unging the repeal of the Connally Amendment? Why not leave the Connally Amendment intact where it can safeguard America's interests by preventing the World Court from ruling industries. The position of the Internationalists is weak indeed!

#### WHAT IS THE WORLD COURT?

Before the United States gives up its national sovereignty, and the right to decide which are domestic issues, affecting all the citizens of our nation, and before we put the destiny and control of our nation in the hands of a World Court dominated by people from foreign landsporteved Per Release 2002/40/10 : CIA-ROP50B048755800580099 6035 gc issues in World Court really is:

# QUALIFICATIONS OF WORLD COURT MEMBERS

All judges are nominated by governments which are members of the United Nations, and require for election a majority vote in both the General Assembly and the Security Council of the United Nations. The nominations, therefore, are strictly political. No Bar Association or other professional group may nominate.

The World Court judges take no oath of

office to any principle.

There are no uniform United Nations qualifications for World Court judges — not even a legal degree!

Several of the judges now serving are from countries that have not accepted any jurisdic-tion of the World Court - even on international matters. And yet these judges would (if the Connally Amendment is repealed) be able to rule on domestic issues in the United States!

### WE ARE OUTNUMBERED 14 TO 1

The World Court is composed of 15 judges. No nation may have more than one judge. The current court is composed of the following nations: The United States of America, Egypt, Nationalist China, Australia, Greece, France, Mexico, El Salvador, Britain, Argentina, Uruguay, Norway, Pakistan, Red Poland and the Soviet Union.

You see above that the United States has only one judge on the World Court. When his term expires there is no guarantee that another American will replace him. He could, for instance, be replaced by a representative from

American will replace him. He could, for the stance, be replaced by a representative from Hungary – and thus the United States would be at the complete mercy of the World Court on which we would not even have a representative!

#### FIVE JUDGES COULD RULE THE WORLD!

The World Court consists of 15 judges. Nine of these make up a quorum, and the majority of a quorum (only 5) is enough for a decision from which there is no appeal.

If the Connally Amendment is repealed as requested by President Eisenhower and other left-wing Internationalists, it would be possible for the Soviet Union, Poland and three other members of the World Court to get together and

# DO YOU WANT A FOREIGN-CONTROLLED WORLD COURT TO RULE ON THESE DOMESTIC ISSUES?

DOMESTIC ISSUES.

If the extreme leftwingers, the Socialists and Internationalists succeed in repealing the Connally Amendment, here is what it will mean to you, as an American citizen:

#### WE COULD LOSE THE PANAMA CANAL

WE COULD LOSE THE PANAMA CANAL
The national defense of the United States is a domestic mother. However, the repeal of the Connally Amendment would make national defense a subject on which the foreign-dominated World Court could rule. For example, the Republic of Panama could see us in the World Court to recover the Panama Canal Zone and the Canal itself, the Panama Canal itself, the Panama Canal itself, and the Panama Canal itself could not quickly reinforce the defenses of our Pacific coast in the event of another Peal Harbot! The World Court could be expected to rule against the United States on the question of the Panama Canal, and the NATIONAL DEFENSE OF THE WEAKENED!

UNITED STATES WOULD THUS BE DANGEROUSLY WEAKENED!

HERE ARE SOME ISSUES THE WORLD

COURT COULD RULE ON:

(1) TARIFF — The World Court by decree could abolish all U.S. tariffs, thus flooding our country with cheapmade, foreign goods which would seriously injure American industries.

(2) IMMIGRATION — The World Court could abolish our immigration quotas and security provisions. In this way the U.S. would be forced to accept hordes of immigrants from any and all parts of the world. Also, our security restrictions against Communist agents entering our country could be abolished.

3) FOREIGH AID — The World Court communist agents entering our country could be abolished.

America must continue forever and even expand Foreign Aid, because, the World Court could halted foreign and world provided in two and the country of the country of the provided in the country of the c

#### CONQUEST BY TREATY

The power of the World Court is defined by the terms of our treaty with the United Nations, which includes the safety factor of the CON-NALLY AMENDMENT.

NALLY AMENDMENT.

Under the U.S. Constitution, treaties are equal to or superior to the Constitution as the "supreme law of the land." The U.S. Supreme Court has held that laws made by treaty, besides being immune to any test of Constitutionality, also supercede domestic law.

If the Connally Amendment, which now protects us, is abolished the World Court will immediately have jurisdiction over domestic matters in the United States. Louis Budenz warned that Soviet Russia has planned for many years to use the "loophole" of the treaty clause to destroy the sovereignty of the United States and lead us into a World Government which would be dominated by Russia and her satellites. satellites.
